Sir:

My fourteen year old son, William, is suffering from a heart ailment following scarlet fever, and has been confined to his bed for over two years.

He has taken a keen interest in collecting auto-graphed letters from distinguished people.

If you would send him a short note and sign it, you would add very much to his happiness and also to mine. Many thanks.

I am enclosing two commemorative stamps which may interest you or some member of your family who might be a stamp collector.

Cordially yours,

Walter J. Berkowitz
