Dear Professor LEE;

Thank you very much for your letter of September 14. When I received it, on the 9th of October, I replied it c/o the Bolyai János Matematikai Társulat, Budapest, for you wrote, you will be in Budapest in October, at the invitation of that Society. In the meantime, I have been informed that your visit to Budapest has been postponed to next April.

I hope, you succeeded in the meantime getting funding support for your "EORTAN ENGINE" project. I shall be glad to discuss that project with you next April.

Yours sincerely,

László Kalmár
