Date 26th November 1937.

Prof. A. Szent-Györgyi,
Professor of Organic and Medical Chemistry,
University of Szeged, Hungary.

Respected Professor,

Allow me to convey to you, on behalf of CURRENT SCIENCE, our heartfelt felicitations on the highest International Distinction viz., the Nobel Laureateship, being conferred on you. The news which has just reached us has filled our heart with joy and ^{our} the happiness, is all the more great, as we had the privilege of publishing in the columns of the Journal a contribution from your pen.

We hope and trust, that you would continue to evince a sympathetic interest in CURRENT SCIENCE.

With profound respects,

Yours sincerely,

B. N. Sastri

P.S.

May I request you kindly to favour us with a copy of your portrait, autographed, for our album? Kindly treat this request as most earnest.

B. N. Sastri
