Professor A. Szent-Györgyi
Director of Institute for Medical Chemistry
University of Szeged
Szeged, Hungary

My dear Dr. Szent-Györgyi:

It is now three weeks since I read of the great honor that has befallen you. Accept my congratulations and be assured that I am convinced that you are the kind of man who deserves the Nobel prize in medicine. May I also congratulate your good wife who I am sure has been a source of great inspiration to you.

It would be great fun to see both of you as well as your daughter again in Zurich at the Worlds Congress in August. I am hoping that it will be possible for me to attend.

With kindest regards to all of the Szent-Györgyis.

Sincerely,

Arthur H Steinhaus
