Dear Sir,

We beg to express to you, on behalf of the Nobel Foundation, our best congratulations to the award of the Nobel prize in Physiology and Medicine conferred upon you by the Caroline Medico-Chirurgical Institute.

For your information we beg to advise you that the solemn distribution of the prizes for this year will take place at 5 p.m. on December 10th, in the grand Concert Hall in Stockholm. The assignation for the amount of the prize - which should be exchanged one of the following days at the bureau of the Foundation against a bank cheque on the same amount - will be handed over by H.M. the King.

The solemnity in the Concert Hall will be followed by a banquet in the City Hall of Stockholm, the Crown Prince /or other member of the Royal family/ presiding, to which the laureates and their wives are invited as guests of honour. An address in homage of the laureates will then be held by a speaker representing the Foundation, and an opportunity is provided for
